We practice fair production and flexibility throughout the manufacturing chain that enables us to provide a 100% full service to our clients with Our Core Values- Commitment, Quality, Passion, Reliability and Perfection.

ABOUT US:

Founded in 1999, we produce American/European orders. Since 2013, we have been producing Korean home shopping orders

Established in 2011 with Jaegook Trade Ltd, it mainly produces European, USA and Korean brand orders
Adams Enterprise Ltd has collaborated with each other to start a new company in 2022.

Currently, Korea's Jaegook Trade Ltd. (Business management & marketing),
Bangladesh Jaegook Trade Ltd + Adams Enterprise Ltd (Production control)
Hong Kong Adams Clothing Ltd (foreign exchange).
Are operated in a total of three locations: DHK, Korea & HKG.

USA orders from 90D, NYDJ, DKNY & DTHREE are the main buyers.
Korean home shopping orders from CJ, Lotte, and Home & Shopping are the main buyers.
Korean brands from SSTs, E-Land, Nix, and Co Republic are the main buyers.

Both Bickey Kim (sales representative) and Kook Young Ha the (production & sales representative) have been in charge of production/export in Bangladesh for 30 years.
Even leading local factories and yarn/fabric/subsidiary materials companies are maintain close cooperation with us.

In addition, it is registered as a local legal trading company and does not avoid responsibility under any circumstances.
We've been trying to success for both the factory and the buyer.
We are proud that we have a good relationship for a long time.

Dhaka's trading office is equipped with a sweater and beanie sample section, so we provide a quick sample service.
A full inspection system has also been established through a QA team of 7 people from the company.

If you think of production in Bangladesh, we confidently say that we are the best.

MISSION & VISION:

Currently, the proportion of knitwear (sweaters) is more than 60%, which is the main production item.
In the case of Daimaru (knit), Woven & Denim are also steadily supplying to home shopping and brands in the United States and Korea at 90%.

As of 2024, exports are worth 14 billion won, reaching 10 billion won in the first half of 2025, and it is expected to reach 20 billion by the second half of the year.
